

# Make a <sup>M</sup>MAGICAL Connection At the Klamath Animal Shelter

## Unconditional Love

When you adopt a pet from the Klamath Animal Shelter they are sure to touch your heart as they share their unconditional love. A pet from the animal shelter makes a wonderful addition to the family. There are many pets to choose from and they come in all shapes and sizes. You are sure to find a perfect match....or two! Add a little magic to your life and the life of a lonely animal. Two lives will be changed! ***Please make adoption your first option!***

## Who Rescues Who?

*From behind this fence, I clearly see  
Connections happen magically  
When you adopt you're sure to find  
A faithful friend that's true and kind  
Unconditional love is a gift indeed  
Shared by friends no longer in need  
When love is shared, the bond is true  
The question is...who rescues who?*

## The Purr-fect Pair

When we look at you we have hope in our hearts. We promise to make you smile, be your devoted, faithful friend, make you laugh and brighten your day. We will love you. All we want is to be part of your forever family .
